**MENGEL NATURAL HISTORY SOCIETY**

The Mengel Natural History Society originated as the Natural History Hikers in the 1930’s, was renamed the Mengel Natural History Society in 1941, and incorporated as a non profit organization in 1956.

The By-Laws state: "The purposes of the Society are the stimulation of interest and study in natural history in all its branches, the promotion and diffusion of scientific knowledge, and the creation of the scientific spirit."

The Society meets once a month from September though April at McConnell Hall at Nolde Forest Environmental Education Center. Usually the fourth Friday of the month. Except in November we meet jointly with the Berks Mineralogical Society (on the second Tuesday at the Reading Museum) and in December we meet jointly with the Baird Ornithological Club (on the second Friday). In May we meet at a local restaurant for a dinner meeting and election of officers. We also sponsor field trips.

**************

**The public is welcome to all activities.**
