

Butterfly, Moth & Dragonfly Walks in Berks County, Pennsylvania - 2019

(Updated: December 22, 2018)

These walks sponsored by the Mengel Natural History Society and the Baird Ornithological Club.
All walks are free.

Location specific checklists are handed out at the walks so you can record what you see.
All levels of interest are welcome: children, adults of all ages, novices and advanced.

We will watch for butterflies and caterpillar host plants, and use viewing jars so you can get a close look. We have extra nets for use by all (adults & children) in our capture and release. Except for April, there will be caterpillars brought to see and (usually) to give to attendees to rear to adult butterflies. Bring a camera to record what you see and binoculars as well if you have them.
